CHIEF SECRETARIAT II POLITICAL BRANCH 27 MAY 1919

Office of the Food Controller

Director of Civil Supplies in Mysore

Bangalore, 1st May 1919.

My dear Balasundaram Iyer,

I enclose Mr. Puttanna Chetty's D.O. letter No.361 of the 29th instant and its enclosure for perusal and orders of Government.

The President thinks that it is necessary to have a separate officer for the supervision of food supply work in the Bangalore City: but, I think it is much better that Mr. Ranoji Rao, who has been looking after the work should be continued to supervise the arrangements. It is a fact that the work connected with food supplies and distribution in the city is pretty heavy and responsible and I would recommend that Mr. Ranoji Rao may be given an allowance of Rs.50 for this work with effect from the date on which he took it over, viz. 1st December 1918.

Yours sincerely,

CITY MUNICIPAL OFFICE,
BANGALORE,

Dated 29th April 191 9.

Dear Mr Mc Iver,

I enclose Mr Ranga Rao's memo of 28th instant. What he says is true. He can hardly give sufficient time & attention to work connected with food supply. His duties as Chief Officer take up all his time. You may have yourself noticed this. Under the circumstances I shall be glad if you kindly arrange

for a separate Officer to attend
to food supply work

yours sincerely

Submitted to the Honorary President.

When the special arrangements in connection with the Food situation in the Bangalore City were thought of, it was considered that the Chief Officer could not attend to the duties connected there with and that it was necessary to have a separate officer as Assistan to the Honorary President for attending to the duties of Food Supply in the City. Accordingly, the under-signed was posted as Assistant to the Honorary President, and he joined duty on 1st December 1918.

But it so happened that when the Chief Officer Mr.R.Subba R applied for leave, the undersigned was directed to be in-charge of th Chief Officer's duties in addition to his own. The undersigned there fore took charge of the Chief Officer's duties on 23rd December '18, and since then has been attending to the duties of both the Chief Officer and the Assistant to the Honorary President for City Food sup

The President and the Food Controller have during their ;ion several times noticed the heavy work that the undersigned has been burdened with and have been pleased to express that a separa officer will be appointed to attend to the Food supply duties.

The work connected with the Food supply in the City has bee throughout heavy. Though the most difficult part of it has been already attended to, there is a great deal that requires constant atter y day. It is therefore necessary that a whole time officer early appointed therefor, so as to relieve the undersigned to attend to his duties as Chief Officer.

The other day
I forwarded to Puttannachetty
communication recommending that
Mr Ranoji Rao might be relieved of
the duty supervising food supply
arrangements in the City and the
another officer might be appointed. I
then thought that Mr Ranoji Rao
might be made to devote machinery to
this work and get more and more
further experience knowledge

that the best arrangement
can be to have a separate
office. The charges [illegible] the dept.

considered first.
